

Points	1	2	3	4	Score	Weight	Total
Title Card or Screen	No title page	Title page is present, but lacks much of the required information	Title page is present but lacks complete information	Title page is present and contains the name of the mathematician, students' names, and appropriate graphics		1	
Birth/Death Information	No birth/death information	Incomplete or inadequate description of birth/death information	Basic information given about birth/death	Dates of birth and death given along with places, maps and interesting circumstances surrounding the event.		2	
Parents	No description of parents	Parents' names are given but no other information is included	Adequate description of parents including occupations	Complete description of parents including occupations, education & influences on mathematician		2	
Education	No mention of education	Education mentioned, but no details given	Education mentioned along with some details	Complete description of educational background given including place, majors and lasting influences		2	
Occupation	No mention of occupation	Occupation stated but no other information given	Brief description of occupation given	Complete description of occupation including any influence it had on his/her role as a mathematician		2	
Inventions or Mathematical Discoveries	Nothing mentioned	Discoveries mentioned but not explained	Basic description given or description includes inaccurate information.	Complete description and explanation of mathematical discoveries including any formulas or published works attributed to your mathematician		2	
Points of Interest	No points of interest mentioned	Interesting fact mentioned but not explained	Breif description of interesting anecdote	Complete interesting and accurate anecdote about your mathematician.		2	

Bibliographhy	No Bibliography slide	1 source cited	2 sources accurately cited, only one of which is a type of encyclopedia	3 sources accurately cited, only one of which is a type of encyclopedia		1	
Slide or Card Design	Slides contain little or no sound or graphics, poor transitions, poor contrast between background & text	Slides have sound or graphics that are distracting or inappropriate, fair transitions, fair contrast between background & text	Slides contain good sounds & graphics, good transitions, good contrast between background & text	Slide design is very appealing containing appropriate sounds & graphics, interesting transitions and excellent contrast between background & text		1	
Mechanics	Many grammatical and/or spelling errors, much of text is directly from source	Several grammatical and/or spelling errors, some of text in group's own words	Few grammatical and/or spelling errors, most of the text in the group's own words.	Little or no grammatical and/or spelling errors, text entirely in group's own words.		1	
Oral Presentation	No eye contact, voice too low to be heard, poor tone and style	Little eye contact, no expansion on slide information, poor voice projection, tone, and style	Adequate eye contact, somewhat familiar with material some expansion on slide information, fair voice projection, tone, and style	Excellent eye contact, very familiar with material, expands on information on slides, good voice projection, pleasing tone, and engaging style		2	
Group Work	No teamwork, poor classroom behavior, failed to meet deadlines and project requirements	Poor teamwork, some misbehavior, sometimes late for deadlines and project requirements	Some teamwork, little misbehavior, met most deadlines and project requirements	Excellent teamwork, good behavior, worked together to meet all deadlines and project requirements		2
